

Plan Better, Spend Smarter

WE'RE REVOLUTIONIZING IP FINANCIAL MANAGEMENT

Traditional solutions haven't been able to tame intellectual property's complex global mixture of government, associate, and currency costs.

This leaves IP firms and companies with few options for forecasting and controlling costs.

Prokurio is on a mission to change this, delivering the only platform dedicated to IP costs.

FINALLY, SOMETHING NEW!

- Modern, cost-effective IP forecasting
- Easy fee schedule management
- Automated IP cost compliance
- IPMS and eBilling integrations
- Current and historic exchange rates
- Centralized access to PTO fees
- Benchmark database of firm costs
- Strategic planning tools (coming)

Simple, fixed-fee pricing
Unlimited forecasting, users & invoices
No-hassle cancellation policy
